

Brentry and Henbury Children's Centre

Safeguarding Statement

- Brentry and Henbury Children's Centre are committed to safeguarding and promoting the welfare of children. We expect all trustees, staff, partner agencies, volunteers, students and parents/carers to share this commitment.
- The Centre has a Safeguarding and Child Protection Policy which is available in our Policy Folder or on request from a member of the Management Team
- Sometimes we may need to store information and work in partnership with other agencies when there are concerns about a child's welfare. We will ensure that any concerns are discussed with his/her parents/carers first, unless we have reason to believe that such a move would be contrary to the child's welfare.
- BHCC Safeguarding Lead and Child Protection Officer is Kerri Matthews. When Kerri is not available Roxane Twining and other members of the Management Team fulfil this role.
